Students,

Thank you for engaging with your classes during the two weeks prior to Spring Break and helping us to try out some strategies for At-Home Instruction. The Staff has engaged in curriculum planning during this week and is ready to roll out instruction with this new schedule, starting the week of 4/13

- 1) Each class will meet for 1.5 hours each week, with more time in the afternoon to complete work
- 2) Fridays- there will be no official classes but students can do work or connect with teachers as needed
- 3) Fridays- students should submit work for the week
- 4) On Fridays, teachers will meet, plan, and push out content and assignments for the week to be posted Monday. Check Canvas on Monday after 12:00 pm so that you know what your week will look like for each class.
- 5) Monday-Thursday: two classes per day are scheduled for 1.5 hours each. The teacher might conduct a lesson in person or will send out videos, materials, and activities for students
- 6) Assignments: Assignments will be pushed out on Mondays and collected on Friday, by 4 pm if possible
- 7) Teachers will communicate when they are available for assistance, either during the scheduled class time or at other times during the week.
- 8) From 2:00-3:30 each day, students can finish up assignments and submit if possible. Teachers can also set up office hours or appointments with students
- 9) General Guidelines for Student Work during At-Home Instruction: Students should plan to work two hours per week on college-prep classes and three hours per week on advanced/IB courses.
