

## AP Chemistry Summer Assignment

Please pick up a copy of the Zumdahl textbook in the library. Your summer assignment is shown below and is due on the first day of school. Please be prepared for a short quiz on naming molecular and ionic compounds (excluding acids) during the first week of school.

**Please use significant figures for all of your calculations and show units.**

Chapter	Instructions	Problem sets – Please do the following problems from the text book
1	Read and take Cornell notes – you should spend 1-2 hrs.	#18,20,26,30,32,34,36,38,72,79,81,83,87,88,111
2	Read and take Cornell notes – spend about 2 hrs	#17,18,19,20,21,22,23,27,28,29,31,32,34,36,42,56,58,62,68,72,78,80,84,86,94
3	Read and take Cornell notes: spend 1-2 hrs	#37,43,66,70,76
